The image shows a screenshot of a website brochure for 'Paradise Lets'. At the top, there is a large banner image of a stone building with the text 'PARADISE LETS' overlaid. Below the banner is a navigation menu with the following items: HOME, PROPERTY, GALLERY, LOCAL INFO, PRICES & AVAILABILITY, DIRECTIONS, GUESTBOOK, CONTACT US, and BOOKING. The main content area features a large image of a rocky mountain landscape. Below this, there is a section titled 'PARADISE LETS' with a description: 'Paradise Lets is a fantasy holiday home used to show the capabilities of HolidaySiteBuilder.com. It is a bit like the Carlsberg advert for Holiday Homes.' This is followed by another paragraph: 'Paradise Lets is based in Chiswick in west London and has everything a fantasy holiday property could want – as it is all in our imagination!' and a third paragraph: 'It is only 300m from a completely private white sandy beach, where you can relax or play any water sport imaginable. The weather is always perfect and because we are just around the corner from London, it has all the culture and nightlife you could ask for.' Below this is a fourth paragraph: 'The property comes with a personal butler and a driver. They are both on call 24 hours a day and will grant your every wish. There is a Michelin Star restaurant 200m from the property, which has a secret passage to your kitchen, so if you ever feel peckish you can order from the free menu.' The final paragraph states: 'The property has an Olympic sized infinity pool, its own maze in the garden and an annex for unexpected guests who want to stay.' To the right of the text is a 'HIGHLIGHTS' section with a list of features: '★ Olympic sized infinity swimming pool', '★ 10 Bedrooms in main house', '★ Private beach 300m from house', '★ 2 tennis courts', '★ Own speedboat', '★ 24 hour butler and driver', '★ Extensive 20 acre garden including private Maze', and '★ Only 10 minutes from Central London'. There are two images on the right side: one of a classical building with columns and a swimming pool, and another of a beach with lounge chairs and an umbrella.
